

DESCRIBING A MODEL CHURCH (Part 1)
1 Thessalonians 1:1-10 (Pew Bible page 835)
(Outline adapted from Michael W. Holmes)

How do you describe a model church? If you could make or remake a church into what you think it should be, how would you describe it?

1. A community that knows it was formed by God and is for God.
2. A community where Jesus is central to all it is and does.
3. A community that seeks the Holy Spirit's empowerment for daily life and ministry.
