1 Thessalonians 1:1-10 (Pew Bible page 835)

Outline adapted from Michael W. Holmes

What does a model Church look like, feel like, behave like? Does it even exist?

1. A community with an active faith, a hard-working love and an invigorating hope.

2. A community that talks about and embodies the good news of Jesus.

3. A community that is obviously different from any other religion or religious movement.
