

LIVING BOLDLY IN OPPOSITION

1 Thessalonians 2:13-3:8 (Pew Bible page 836)

The integrity of our confession of Christ will be tested!

1. A life devoted to righteousness will be persecuted.
2. Do not return evil for evil.
3. Followers of Christ in America should expect increasing opposition as our country transitions from a Christian to post-Christian culture.
4. Strengthen and encourage others in the midst of an unfriendly culture.
5. Be aware of the needs of suffering brothers and sisters, especially where the opposition is intense.
