

Getting God's Word into Your Heart
through Paraphrasing

1. Write out the verse or passage.

2. Now break up the verse into phrases or thoughts and list each below.

3. Rewrite each of the phrases in your own words using synonyms and new phrases.

3. Rewrite the verse in your own words using your new words and phrases.

4. What practical application can you write from this verse? Jot down your ideas as to how this verse applies to your life, or how it could apply to someone else's life.
