

**OPEN MY EYES THAT I MAY SEE**  
Psalm 119:18 (Pew Bible page 437)

How do we use the Bible in spiritual formation? How do we get the Word of God into our head and heart and lives?

1. There are wonderful things in the Bible.
2. Recognize that you need help in welcoming and applying the Bible to your life.
3. Pray for God's supernatural illumination when reading and studying the Bible.
