THE BIBLE: THE RELIABLE RESOURCE FOR LIFE CHANGE
Selected Scripture

The Bible as a whole, and everything in it, is designed to contribute in some way to our individual and communal spiritual formation.

1. The Bible is uniquely central to forming us according to God's intentions. (2 Timothy 2:16-17, pew Bible page 843)

2. Give careful attention to the Bible with total confidence in what it says. (2 Peter 1:19-21, pew Bible page 860)
